

Angel Investor Directory Packages

To help eliminate confusion over the packages of databases we now offer at Angel Investor Directory.com this one page PDF explanation was created.

What is the Venture Capital Database?

Our firm provides an in-depth database of Venture Capital Firms in Excel format, consists of 800 entries and was created for those who want to raise capital from, network with or provide services to venture capitalists.

1. Gain access to complete contact details on over 800 Venture Capital Firms
2. Work more efficiently, raise capital faster, help towards meeting capital raising goals
3. Expand your newsletter reach, contact more investors every day
4. Schedule more conference calls and on-site visits with prospects, grow your pipeline

What is the Private Equity Database?

This database consists of 750 private equity firms and like all of our databases complete contact details are associated with each listing in Excel format. The private equity database was created for those looking to raise capital from or work with private equity firms in some way. Benefits of owning this database include:

1. Gain access to complete contact details on 750 Private Equity Firms
2. Grow your newsletter reach and schedule more conference call and on-site visits
3. Work more efficiently, raise capital faster, help towards meeting capital raising goals

How much do these two databases costs to purchase separately?

\$325 - \$995 each

What Packages Are Available?
